# Words of Wisdom from Fellow Alumni

**“ Success requires commitment.**

A commitment to your goal. Have a clear objective and work hard to get there.  
A commitment to continuous improvement. You will never know all there is to know.  
Be humble, be willing to learn from others, from mistakes and from experiences.  
A commitment to changing the game. Don't settle for status quo and don't accept good enough. Challenge conventional thinking.”
