

**CAMBRIAN  
COLLEGE**

**ADDENDUM No. # 2**

Issued January 11, 2012

Cambrian College RFQ 11-12-03

Installation of Electrical Hand Dryers

---

*The following information, amendments and revisions shall form an integral part of the RFQ Documents and where applicable, shall supersede requirements of other documents. Please indicate receipt of this addendum on Schedule E - Declaration and Certificate Schedule.*

**Question:**

Are the existing dryers being replaced? Or are these new installations? Can we re-use existing circuits if they are adequate?

**Answer:**

These hand dryers are new installation with the new circuits.

**The College requires the work done accordingly:**

- Each unit will require its own 15 amp circuit.
- GFI circuit is not required for units that are near to washbasins.
- We do not need hand dryers installed in Room F213 and 4006B. These both installations are removed from the schedule.
- We do require 2 hand dryers install in Room 4402A and 4402B each, rather than 1.
