

The School-College-Work Initiative (SCWI) is a co-operative effort with a mandate to assist in creating a seamless transition for students from secondary school to college. In addition to a wide array of learning and awareness opportunities for students, teachers, parents and the broader community, projects have been developed to provide dual credit programs for secondary students through the partnership of secondary schools and colleges.

A collaboration of the Council of Ontario Directors of Education (CODE) and the Committee of College Presidents (COP), SCWI is jointly funded by the Ministry of Education and the Ministry of Training, College and Universities.

Cambrian College, in partnership with the Rainbow District School Board and the Sudbury Catholic School Board are offering numerous dual credit opportunities during the 2010-2011 academic as well as various activities and events for both students and parents.

For more information about dual credit opportunities or other SCWI activities and events, please contact your secondary school guidance office or:
