Admissions Decisions

When you receive a response regarding the program/programs you have applied to, you will receive one or more of the following admissions decisions:

Final Acceptance

We have reviewed your application and are pleased to offer you admission.

Conditional Acceptance

You qualify for admission, however, one or more of the prerequisites (such as final grades, proof of OSSD or some other specified document) has not yet been met. Your offer of admission will specify what is required.

Wait List

We are unable to offer admission at this time even though you qualify for admission. The number of qualified applicants exceeded the number of spaces available in the program, and the program is currently full. Should a vacancy occur before classes start, we will contact you. Your name will remain on the wait list even if you accept another offer. You can view your status on the wait list through Student 411.

Not Accepted

You did not qualify for admission. You may be offered admission to an alternative program (College Exploration or Pre-Health) even though you may not have listed it as one of the choices on your application.

OSAP

Applications for OSAP (Ontario Student Assistance Program) should be submitted by mid-November. You can apply online free of charge at: osap.gov.on.ca. Paper application forms must be accompanied by a \$10 cheque or money order (payable to the Minister of Finance) and submitted to the Financial Aid Office of the college you plan to attend.

Entrance Scholarships

The Cambrian Foundation offers entrance scholarships valued at \$1,000 each to first-year students enrolled in full-time programs. Please access the application form at www.cambrianfoundation.com.

The deadline to apply is January 28, 2011.
